

Proclear[®] 1 day

Clear vision*, convenience and comfort, for contact lens wearers who experience eye dryness.

CooperVision[®]
Live Brightly.[®]

They're made with PC Technology™ which was specially created for contact lens wearers like you; it binds water to your lenses, helping them remain fresh and comfortable all day long. Focus on life and not on your contact lenses with Proclear.

The features you'll love

- PC Technology binds water throughout each Proclear contact lens, creating a shield around it, keeping the lens clean. Contact lenses stay hydrated, helping them feel moist and comfortable throughout the day.
- The Proclear lens material helps you avoid eye irritation by resisting deposit build-up over the course of your day.
- Convenient daily replacement schedule with no cleaning required.

* Due to aspheric optics.
